5-Day Money-Back Guarantee

A customer may return a purchased car within 5 days of delivery, or 300 km of driving, whichever comes first. The full purchase amount is refunded to the original payment method within 7 to 10 working days. The car must be returned in the same condition, with no new damage and no modifications. Fuel costs and any traffic fines incurred during the period are not refunded.

200-Point Inspection

Every car listed is inspected against 200 checkpoints covering engine, transmission, suspension, brakes, electricals, air conditioning, interiors and exteriors. Cars that fail any safety-critical checkpoint are rejected and never listed. The full inspection report is available to the customer before purchase and is shared as a PDF on request.

One-Year Warranty

Assured cars include a 1-year comprehensive warranty covering the engine, transmission and up to 1,000 mechanical and electrical parts. The warranty starts on the delivery date and is valid at any authorised service centre. Consumables such as oil, filters, tyres, brake pads and clutch plates are not covered. Warranty extension of up to 2 additional years may be purchased at the time of sale.

Free RC Transfer

Registration certificate transfer to the buyer's name is handled at no extra cost and is completed within 45 to 60 days of delivery. The customer is kept informed at each stage. If the transfer is delayed beyond 90 days for reasons attributable to Spinny, the customer is eligible for compensation of INR 5,000.

Fixed Price, No Negotiation

The listed price is the final price. There is no haggling and no hidden charges. The price shown includes the inspection, the warranty and the RC transfer. Insurance, road tax where applicable, and optional add-ons such as extended warranty are quoted separately and clearly before payment.

Test Drive at Home

A free test drive can be booked at the customer's home or office at a chosen time slot. There is no obligation to buy. Test drives are available in cities where Spinny operates, and slots may be rescheduled up to 2 hours before the booked time at no cost.

Buyback Promise

A car bought from Spinny can be sold back within 1 year of purchase at a guaranteed minimum of 80 percent of the original purchase price, provided the car has been driven under 15,000 km in that year, has no accident history in that period, and has a valid service record.

Financing and Documents

Loans are available through partner banks with approval typically within 48 hours. The documents required are a PAN card, Aadhaar card, 3 months of bank statements and 3 months of salary slips for salaried applicants, or 2 years of income tax returns for self-employed applicants. Down payment starts at 10 percent of the car value.

Delivery Timelines

Once payment is complete, home delivery takes 3 to 7 working days depending on the city and on

documentation. The customer receives the car with a full tank of fuel, both sets of keys where available, the service history and the inspection report.

Support Hours

Customer support is available every day from 9 AM to 9 PM IST. Post-sale service requests are acknowledged within 24 hours and a resolution timeline is shared within 48 hours.
